Passionate and dedicated music student with a strong academic foundation in music production and engineering, seeking to leverage technical expertise and creativity in a dynamic production environment.

Work History

Nov 2025 to Present	Freelance Audio and Video Technician <i>Nvision 360</i> Provided AV technician support for live events.
Aug 2025 to Oct 2025	Podcast Audio Engineering Intern <i>Making It with Terry Wollman</i> - Intern team member responsible for editing podcast episodes for rebrand and re-release. - Creating social media content for selected podcasts.
May 2023 to Present	Seasonal Camp Music Teacher <i>Coppermine Fieldhouse, Baltimore, MD</i> - Educated summer camp students (age 5-12 years) use basic concepts of music with instruments and song. - Developed various lesson plans which incorporated play and creative activities for camper engagement.
May 2021 to Sept 2024	Seasonal Concert Event Staff Member <i>Merriweather Post Pavilion, Columbia, MD</i> - Provided great customer service to event guests and performed security functions and crowd control. - Supported event setup and breakdown, including arranging signage, seating, and crowd barriers.
Summer 2019 & 2020	Summer Intern/Student Assistant <i>School of Rock Columbia, MD</i> Led summer camp activities and Rock 101 classes.

Selected Berklee Experiences

- Volunteer Mixing Engineer for Berklee Studio Ensemble.
- Transcribed and arranged parts of Billy Joel's "Movin Out" for Sound Alike Lab. Scheduled rehearsals, sessions and "hired" fellow students to replicate the production of the original song by mixing and editing the tracks.
- Recorded 9-piece ensemble using outboard gear and in-channel processing with AMS Neve 88RS.
- Demonstrated advanced proficiency in API Legacy Plus as part of audio project coursework.
